[A General Planning Method for Allocation of Human Resource Groups - group of 3 »](#)

M Mauerkirchner - Lecture Notes In Computer Science; Vol. 2178, 2001 - Springer

... Over the years various **techniques** have been developed that ... be used by the numeric non **gradient** method in the ... **Optimization** Process We propose a problem specific ...

[Related Articles](#) - [Web Search](#) - [BL Direct](#)

[Structured-specified robust-multivariable-controller design for practical applications using genetic ... - group of 2 »](#)

I Kitsios, T Pimenides - Control Theory and Applications, IEE Proceedings-, 2003 - ieeexplore.ieee.org

... 2.3 Multiobjective **optimisation** for control systems A formulation of ... precision Ri in the specified **interval** [Of, 8 ... 9], [13] and [14], a novel **technique** has been ...

[Cited by 4](#) - [Related Articles](#) - [Web Search](#) - [BL Direct](#)

[Multiobjective spare part allocation by means of genetic algorithms and Monte Carlo simulation - group of 3 »](#)

M Marseguerra, E Zio, L Podofillini - Reliability Engineering and System Safety, 2005 - Elsevier

... 4]. Unfortunately, such **optimization techniques** typically entail ... The multiobjective **optimization** problem then becomes ... register the time **interval** during which ...
